INCREASED ROLE IN BBMRI-ERIC

INVOLVING PATIENTS & CONSUMERS IN OUR WORK

- January 2018 – face to face meeting in Brussels
 - New members invited
 - New strategic approach
- September 2018 – meeting at EBW
 - From 1 to 7 patients/consumers present at EBW18
 - Increased involvement in sessions
 - 1 chair
 - 2 speakers (the debate on RRR)
 - Countless questions
- Contribution to the Work Programme 2019

GDPR

CODE OF CONDUCT FOR HEALTH RESEARCH

- To contribute to the proper application of the regulation, taking into account the specific features of processing personal data in the area of health;
- To clarify and specify certain rules of the GDPR for controllers who process personal data for purposes of scientific research in the area of health
- To help demonstrate compliance by controllers and processors with the regulation
- To help foster transparency and trust in the use of personal data in the area of health research.
